107/25 Budget - Updated

The Clerk confirmed that due to exceptional circumstances the council would review and resolve the budget in the January. This was agreed by North Yorkshire Council also.

108/25 Correspondence – for information

The clerk advised that North Yorkshire Council had approved the bus stop, bench and bin to be moved to the top end of Church Street.

Also that a new electrical box for Fibre cable would be sited outside the Hive library on Commercial Street. The Clerk was to pass on comments to the company installing this as the council agreed that it would be more suitable for the box to be near the wall as many people use the services of Sight Support and this could cause issues for pedestrians especially those with vision difficulties.

109/25 Representatives

Cllr S Shaw confirmed that while the Malton Museum had closed for the winter period they still are still very active with school visits and many other commitments and activities during this time.

Cllr J Vale confirmed that the Hive had had its best year yet with the Christmas Lights Switch on.

They were pleased to announce that a local child had won a competition which meant that their winning entry would now be on all the newly issued library cards in 2026.

Also they are having difficulties with the current services of the car park contractor.

110/25 Members questions - None

111/25 Date of the next Norton on Derwent Town Council Meeting
