TESTIMONIALS

 “Romanby Parish Council has used Streetscape to undertake installation work along with inspection work on numerous occasions. They work with us in all areas and are a pleasure to deal with. Streetscape are very competitive and no question is a silly question. They are always happy to help!” - **Clerk to Romanby Parish Council.**

 “Streetscape Products were proactive in assisting us throughout the project lifecycle. They have advised and assisted us in our fundraising, planning, design and construction. They are customer focused and offer great flexibility, responding to the changing demands of our project.” – **Phil Emison, Chairman to Scruton Playing Fields Committee.**

 “Well Village has been without a playing field for many years, after obtaining the lease on a piece of land from a local farmer, we approached Streetscape for ideas on how to best make the most of the area for the children to use their imaginations and have fun. We were very impressed with the quality of service and efficiency shown by the staff at Streetscape, we had several designs and quotes redone as ideas changed and also met with Matthew Day on site to discuss our needs and nothing was too much trouble for him. His help regarding who to approach for funding and obtaining grants was invaluable. The children are thrilled to have such a fun and exciting place to play which, thanks to Matthews help, caters for all ages, sizes and abilities. I would highly recommend Streetscape to any establishment thinking of investing in Play Equipment.” - **Helen Kitching, Chair to Well Playing Fields Association.**

 “I would recommend Streetscape to private businesses, town/parish councils, sports clubs and community groups. The attention to detail and service is fantastic, nothing is too much trouble. The quality of the product is excellent along with the professional staff, after sales and good communication. I look forward to working with Streetscape in years to come.” **Gail Cook, Malton Town Council**
