

Norton-on-Derwent Town Council

4 December 2023

Dear Claire

Request for support

I am writing rather belatedly on behalf of Malton Museum in the hope that Norton Town Council may be able to support us once again as it has done over many years. A conversation with two of your councillors earlier today suggests that it is not too late to make an application.

The trustees have recently been undertaking a governance review and the need for some administrative/organisational support has been identified. It is the intention to recruit a part time museum administrator/manager early in the new year. A donation of £5,000 has been received from a private source and the museum intends to use a similar amount from its reserves towards the financing of this post. However, there will still be a shortfall and we are currently looking for additional funding.

Any assistance the Council can give us in this regard will therefore be much appreciated.

I look forward to hearing from you and I enclose a copy of the most recent annual accounts.

Best regards

John Gill
