

Mayors Report – April 2024

Invitations:

Issues relating to Norton:

I attended the Ryedale Youth Theatre performance of The Wizard of Oz at the Milton Rooms – an excellent show with a very talented cast of all ages.

Letter received by the clerk for information

Issues relating to Norton:

I met with Tim Allison from NYC at Lakeside to point out the issues on the footpaths around the lake and on the PROW between Lakeside and Springfield Gather/St Peter's Street. NYC has agreed to:

- Investigate further what can be done about roots lifting the path around the lake and what can be done to improve the path
- Tidy and remove debris around the lake
- Carry out a deep clean/tidy up of the PROW

The Clerk & I will meet with the landowner of the land adjacent to Lakeside to discuss his plans for the site and access onto the plot.

Work on repairs to the raised flower bed next to Station Taxis/Tykes should have started today.
