

# NORTON-ON-DERWENT TOWN COUNCIL

## Agenda Item 16 Riverbank Lighting Quote - July 2024

As all but one of the lights are out on the Riverbank a meeting was arranged to rectify the situation.

Tim has met with North Yorkshire Street Lighting on site. There are 9 columns;

The costs for replacements are as follows;

1. Vertical realignment of SL column 5m high

Estimate: £100.00 + Vat

2. Inspect & clean electric unit for electrical test , bulk lamp change & Supply of SON lamp 50 watt

Estimate: £55.00 + Vat Each

3. Inspect & clean electric unit for electrical test , bulk lamp change & Supply of Trueforce 17 watt Led Lamp

Estimate: £89.00 + Vat Each

4. Remedial works to category 2 defect (Attended within 7 working days)

Estimate: £70.00 + Vat Each (then there would be materials on top of that)

North Yorkshire Street Lighting are recommending that we go with option 3 as SON lamps are becoming obsolete and the Led Lamp will last longer. Also recommendation we go for option 1 to straighten a column which is leaning badly.

**For Resolution** – Members to agree which option above to proceed with.

Worked costings for Option 1 and 3;

Option 1 £100 + VAT, Option 3 £801 + VAT

Totals £901 + VAT.
